Summary

I am a Front-End Developer skilled in HTML, CSS, JavaScript, and Bootstrap. I create responsive, user-friendly websites and have a keen eye for clean, maintainable code. Passionate about learning, I stay up-to-date with the latest web technologies and trends. I thrive in collaborative environments and seek opportunities to deliver exceptional web experiences.

Projects

ToolsBro - Web Tool Directory

Freelance | June 2021 - October 2021

- Developed a dynamic web tool directory with various utilities.

- Utilized HTML, CSS, JavaScript, and Bootstrap for an intuitive user interface.
