SUMMARY

I am a skilled and motivated Front-End Developer with a comprehensive understanding of HTML, CSS, JavaScript, and Bootstrap. With a passion for crafting elegant and responsive web experiences, I have honed my expertise in building user-friendly interfaces that leave a lasting impression.

My commitment to continuous learning drives me to stay up-to-date with the latest web development trends and best practices. I am adept at transforming design concepts into functional and visually appealing websites, ensuring a seamless blend of creativity and functionality.

Throughout my journey, I have acquired a keen eye for detail and a focus on writing clean and maintainable code. My ability to work collaboratively in cross-functional teams allows me to effectively contribute to the success of projects from conception to completion.

As a Front-End Developer, I thrive on challenges and am dedicated to delivering exceptional results that exceed client expectations. I am now seeking new opportunities to leverage my skills and expertise in creating impactful digital experiences that enhance user engagement and drive business growth.

PROJECTS

Toolsbro.in A Web Tool Directory | Freelance | June 2021 – October 2021
· As a front-end developer, I conceived and developed "ToolsBro.in," a dynamic and feature-rich website aimed at providing essential tools and resources to users. Leveraging my expertise in HTML, CSS, JavaScript, and Bootstrap, I meticulously crafted the user interface to ensure a seamless and intuitive experience.

BookMyShow Clone | At Institute | February 2021 – May 2021
· As an accomplished front-end developer, I have successfully designed and developed a fully functional BookMyShow clone using a combination of cutting-edge web technologies. This project showcases my expertise in HTML, CSS, JavaScript, and Bootstrap, along with my ability to create an interactive movie page and a sophisticated fake booking system. check out them at: https://toolsbro.in/projects/bookmyshow_clone/

EDUCATION

Web Design | TOPS Technologies | Maninagar | 2021

12th | Swami Narayan Vidhyadham | Hathijan | 2016

CERTIFICATIONS

Web Design | TOPS Technologies | 2021
The Web Design certification equipped me with comprehensive web design skills, covering essential principles such as layout, color theory, and user experience (UX) design. I gained proficiency in HTML, CSS, and JavaScript, enabling me to create responsive and user-friendly web interfaces. Through practical hands-on projects, I honed my ability to apply industry best practices, ensuring high-quality, accessible, and visually appealing web solutions.

SKILLS

Front End: HTML, CSS, JAVASCRIPT, BOOTSTRAP
